

GR GOVINDARAJULU SCHOOL OF APPLIED COMPUTER TECHNOLOGY

NEWS AND EVENTS DURING THE MONTH OF OCTOBER 2011

1. Mr. T. Senthil Kumar, Assistant Professor, Amrita University, Coimbatore conducted the second phase of the workshop on "Network Simulation Tool" for III MCA Students on 3th October 2011.
2. Vijayadasami and Sarawathi Pooja was celebrated by students on 4th October 2011.
3. Students of III MCA participated in an Intercollegiate IT Meet "INNOWIZ 2k11" conducted by Nehru College of Management, Coimbatore on 12th October 2011 and won the over all championship Trophy. Students also won other prizes - J. Merlin and LRK Gnanalakshmi (1st prize in paper presentation); P. divya and B. Sathya (2nd prize in software marketing); and, LRK Gnanalakshmi (Miss Innowiz 2011)
4. Students of III MCA participated in National level Technical Symposium on "Netwave 2k11" conducted by Sri Ramakrishna Institute of Technology, Coimbatore on 12th October 2011
5. Students of II and III MCA attended a workshop on "Open Source Tools and Technologies" organized in association with uSIS Technology, Coimbatore during October 14-15, 2011.
6. Ms. S. Karpagavalli, Assistant Professor attended a meeting on "MPhil Part I Syllabus Framing" at Bharathiar University, Coimbatore on 20th October 2011.
7. Students of III MCA attended a workshop on "Career Counseling Programme" conducted by Vertical Eye, Coonoor during 20-22 October 2011.
8. Ms. J. Thilagavathy, Lecturer and Ms. P. Revathi, Lecturer attended a two day workshop on "Simulation and Analysis of Wireless Networks using NS-2 Tool - Beginners Approach" conducted by Kongu Engineering, Erode during October 20-21, 2011.
9. Students of Fine Arts Forum conducted events like cross word puzzle, debate, IT puzzle, and skit on 12th October 2011. Community Forum students emerged as the winners of the event.
10. R. Venkateswaran, Assistant Professor presented an article in the International Conference on Computer Science and Intelligent System organized by Coimbatore Institute of Information Technology(CIIT) and INNS on October 21-22, 2011.
11. Prof S. Balasubramanian, Director conducted a session on "Time and Life Management" for GRGSACT faculty on 31st October 2011.
12. Six of III MCA students - Ms. J. Reeta Julie, Ms. R. Vyshnavi, Ms. S. Vidhya Rani, Ms. B. Thivya, Ms. P. Divya and Ms. AL. Alagumeena - have been selected by uSIS Technology to undergo their six months final semester project.

13. A research article titled "Implementation of Information Security Systems by poly substitutions cipher Methods using cryptography tools and methods" by Mr. R. Venkateswaran, Assistant professor was published in International Journal of Data Mining and Knowledge Engineering(IF 6.21) : ISSN 0974 - 9675, volume 3, No. 14, Pg.Nos: 854-858, October 2011.
14. Mrs. G. Sasikala, Assistant Professor and Ms. R. Surya, MPhil scholar published a paper titled "An Enhanced Image Retrieval using contribution based clustering algorithm with spatial feature of texture primitive and edge detection" in International Journal of Computer Applications, ISSN 0975-4172 , November 2011.
15. A research paper titled "Efficient prediction of phishing websites using supervised learning algorithms" by V. Santhana Lakshmi, MPhil scholar, and Dr. M.S. Vijaya, Associate professor has been accepted for presentation in International Conference on Communication Technology and System Design to be held at Amrita School of Engineering, Amrita University, Coimbatore during 7-9 December 2011 and the proceedings will be published by Elsevier.
